Mission Statement

Catholic Care is a charitable organisation working on behalf of the Diocese of Leeds.

It offers a variety of services and support, not only to the Catholic population, but to the wider community as a whole.

Catholic Care acts to support those in need of its services, especially the weak and the vulnerable and it acts as an advocate for those unable to represent themselves.

The primary purpose of the Agency is to foster and influence a vision of how people can live together in Christian charity, love and justice, by taking the 'caring Church' into the community.

You can support our work by purchasing from our range of Christmas Cards. Your help will *really* make a difference.

And, when the time comes, a peaceful and blessed Christmas and New Year to you, your family and friends.
