Volunteer and help us to help others!

Volunteers are vital to the smooth running of our Charity. Becoming a volunteer with us may be a challenge, but is sure to be very rewarding!

From helping out in our office, helping raise funds or supporting one of our services you'll know that each day with us has had a positive impact on somebody's life.

**All you need is a little spare time
and a lot on enthusiasm!**

To talk about the range of opportunities available for volunteers, and the positive impact they can have on both you and the lives of those in our community contact us on 0113 388 5400 or email info@catholic-care.org.uk
