
Please support our Christmas Appeal

Catholic Care

A service you can believe in

At Catholic Care our Mission is to help those who are disadvantaged, vulnerable and marginalised. Many of the families who we help experience hardship and poverty throughout the year and especially so at Christmas.

Please give generously so we can be there all year round for a family in need.

All donations made at Christmas are to replenish our Crisis Fund.

Here are just a few of the ways your donations supported children and families throughout 2018:

- Providing food
- Providing winter clothing and bedding
- Help with heating and lighting costs
- Help with school uniform and equipment
- Help for families torn apart through bereavement or domestic violence.
